Footnote-

Please be advised that there has not been Teams of the Year produced this year due to the inconvenience created by the number of days affected by weather, the ongoing difficulties created by the Covid -19 Pandemic and because of this , the cancellation of the Association Presentation Night and the introduction of ongoing Social Distancing.

As our new season draws closer, we will advise clubs of how to get these awards to present to their players in a formal club environment and/or social gathering if and when restrictions are ultimately lifted.

Our sincerest apologies for any inconvenience this may cause.

Keep hanging in there.
